Project description <i>(in the case of project selection procedures / IDUJ)</i>	As the main objective, Centre applies computer simulations to understand the role of protein posttranslational modifications (such as glycosylation) in modulating protein-protein interactions in health and disease. The Centre is co-funded by the Polish Ministry of Science and Higher Education, the German Federal Ministry of Education and Research.
Job role	An exciting opportunity has arisen for a highly motivated, self-reliant, resilient administrator with a “can do” attitude to join the New Dioscuri Centre for Modelling of Posttranslational Modifications. We are looking for an individual that is a strong team player with excellent communication skills that will be a critical asset to the Centre and will work closely with the Centre leader to build the unit. This role requires close interactions with team members of the Dioscuri Centre, the MCB central administration and the University central administration as well as collaborators overseas and various national and international funding agencies. Since we are an international group, excellent written and language skills in Polish and English are required. Knowledge of German would be beneficial. There will be a training period as the successful candidate will learn the procedures.
Scope of duties <i>(to be completed with the appropriate description of duties resulting from the project / IDUJ)</i>	<ul style="list-style-type: none"> • Taking decisions concerning the day-to-day operations of the Dioscuri Centre on the basis of authorisation from the Head of the Dioscuri Centre • Placing and processing orders and invoices for the Centre's needs • Supervising project funding disbursement in accordance with the regulations of the National Science Centre and the

	<p>regulations of the Jagiellonian University</p> <ul style="list-style-type: none"> • Assisting the Dioscuri leader with budget planning • Active participation in the acquisition (formal side) and handling of other grants (NCN, ERC) and working alongside MCB central administration as well as CWN the UJ central grants office • Organisation of the recruitment of posts related to the Dioscuri Centre • Preparing official letters and documentation for research projects • Organisation of meetings for team members and external partners (including documentation exchange between institutes etc.) • Maintenance of the Dioscuri Centre website and Dioscuri social media • Organisation of conferences, meetings, retreats in Poland and abroad. • Maintenance of the group calendar (including coordination of seminars, journal clubs, business meetings, institutional obligations etc.)
We offer	<ul style="list-style-type: none"> • stable employment based on an employment contract at the renowned university, • possibility of qualifications improvement and professional development, • benefits in the form of i.a. Multisport card, sports activities, medical packages, group insurance, • additional social benefits.

Personal data processing information for job applicants

According to Article 13 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation – hereinafter GDPR), the Jagiellonian University informs that:

1. The Administrator of your personal data is the Jagiellonian University with its registered office in Gołębia 24, 31-007 Kraków, represented by the Rector of UJ.
2. The Jagiellonian University appointed the Data Protection Officer www.iod.uj.edu.pl, Gołębia 24, 30-007 Kraków. The Officer can be contacted by email: iod@uj.edu.pl or at the telephone number 12 663 12 25.
3. Your personal data will be processed in order to:
 - a. conduct recruitment process for the position specified in the above advertisement – as part of the legal obligation of the Administrator pursuant to Art. 6 (1) lit c of the GDPR in connection with the Polish Labour Code;
 - b. conduct recruitment process for the position specified in the advertisement based on your consent pursuant to Art. 6 (1) lit a of the GDPR – your consent is granted by the clear action of submitting your CV with the Administrator. The consent to the processing of personal data concerns data that you voluntarily provide as part of your CV, which do not result from Polish Labour Code.
4. The obligation to provide your personal data results from the law (it applies to personal data processed under Article 6 (1) lit c of the GDPR). Failure to provide your personal data will result in your inability to take part in the recruitment process. Submission of personal data processed on the basis of consent (Article 6 (1) lit a of the GDPR) is voluntary.
5. Your data will be processed during the recruitment period. In the event of not concluding the contract with you, your data will be deleted after the recruitment process.
6. You have the right of access to the content of your personal data, as well as the right to correct, delete, restrict processing, transfer, object to processing – on the terms and conditions set out in the GDPR.
7. If the processing is based on consent, you have the right to withdraw the consent at any time, which shall not affect the lawfulness of processing based on the consent given before the withdrawal. Withdrawal of consent to the processing of personal data can be sent by e-mail to: mcb@uj.edu.pl or by post to the following address: **Małopolskie Centrum Biotechnologii, Uniwersytet Jagielloński, ul. Gronostajowa 7A, 30-387 Kraków**, or you can withdraw your consent in person at **Małopolskie Centrum Biotechnologii, Uniwersytet Jagielloński, ul. Gronostajowa 7A, 30-387 Kraków**.
8. Your personal data will not be subject to automated decision making or profiling.
9. You have the right to lodge a complaint with the Inspector General for the Protection of Personal Data, if you feel that the processing of your personal data violates the GDPR regulations.
