BIOTECHNOLOGY**

Address: ul. Gronostajowa 7A,  
30-387 Cracow  
Tel. / fax.: 12 663 53 69

Cracow, June 29th 2018

**Rector of the  
Jagiellonian University  
announces a contest for the position of  
Scientific Assistant in the Bioinformatics Research Group at the  
MAŁOPOLSKA CENTRE OF BIOTECHNOLOGY**

Newly created Bioinformatics group (dr Paweł Łabaj), together with MetaSUB consortium partners, develops and standardize the analysis methods and approaches for metagenomics samples from subway and urban biomes in order to assess the biodiversity and to build a molecular portrait of cities. We are seeking for an enthusiastic candidate who would like to join our team and would like to advance expertise in analysis methods and approaches in metagenomics.

For more information about the group please see: [http://www.mcb.uj.edu.pl/en\\_GB/bioinformatyka](http://www.mcb.uj.edu.pl/en_GB/bioinformatyka); and about MetaSUB aims:

<http://www.metasub.org> Eligible contestants must meet the requirements in art. 109, which was established in 27.07.2005 followed by the Law on Higher Education (Dz. U. nr 164, poz. 1365, z późn. zm.) and meet the following qualification criteria:

- 1) Possess a master's degree or its obtaining being in progress,
- 2) High thesis evaluation with a scientific supervisor's confirmation,

**The ideal candidate should:**

- 1) Hold a degree in bioinformatics, computer science or (computational) biology, or any related field of life sciences
- 2) Have a strong expertise in programming in: R, PERL, python, C/C++; knowledge about Linux environment on the administrator and programmer level; knowledge about version control systems: svn, git
- 3) Have experience in (bio)statistics as well as machine learning methods
- 4) Have basic knowledge about molecular biology, especially metagenomics
- 5) Have excellent written and oral communication skills in English (essential)
- 6) Have abilities to work unsupervised and have good organization skills
- 7) A plus will be proof of eventual earlier scientific work

Candidate should submit the following documents (in English) to the Malopolska Centre of Biotechnology office, Cracow ul. Gronostajowa 7A, room 3/12 or electronically via email: [pawel.labaj@uj.edu.pl](mailto:pawel.labaj@uj.edu.pl) (points 1-6). Please address an application with title: "**Scientific Assistant in Bioinformatics group - metagenomics**" together with name.

- 1) Motivation letter including description of earlier scientific achievements and CV
- 2) Personal questionnaire
- 3) A copy of a master's degree or confirmation that master thesis has been submitted and exam date has been assigned.
- 4) A list of publications (if applicable)
- 5) Last annual evaluation (if applicable)
- 6) Opinion from an academic supervisor
- 7) A statement that Jagiellonian University will be the primary workplace in the case of being hired
- 8) A statement pursuant to art.109 item 1 of the Law of Higher Education
- 9) A statement of knowledge and acceptance of the rules on intellectual property and legal protection of intellectual property

\*Points 7 to 9: needed after 1<sup>st</sup> stage of recruitment.

**The deadline for submitting applications is 15th August 2018. The outcome of the contest will take place on 31st August 2018.**

The application form also must include: *"I hereby authorize you to process my personal data included in my job application for the needs of the recruitment process" (in accordance with the Act of 29 August 1997 on the protection of personal data, Dz. U. No 133, item. 883, as amended).*

On behalf of  
the Rector of the Jagiellonian University  
prof. dr hab. Kazimierz Strzałka  
Director of Malopolska Centre of Biotechnology
